ACCESS AGREEMENT

I, as owner of _____ authorize officers, employees, authorized representatives, and persons acting at the request of the Missouri Department of Natural Resources (DNR) to enter and have access to the above-named property at the stated location for the following purposes:

- The on-site observation and oversight of environmental investigation and remediation activities;
- The detection of surface or subsurface hazardous substances and subsequent marking or otherwise identifying onsite locations of any such hazardous substances detected;
- The drilling of holes for subsurface investigation including the use of drilling rigs;
- The taking of such waste, soil, water and air samples as may be necessary including split samples; and
- Other actions related to the investigation of surface or subsurface contamination.

Owner ensures any/all site operator(s) will give DNR access to property. DNR warrants that, upon completion of the project, any DNR material and equipment will be removed from the site. This consent shall expire upon DNR's issuance of a certificate of completion for this site. This consent shall not be construed as or deemed to be an admission of any fact, responsibility, fault, or liability in connection with the site. The site owner shall hold DNR harmless from any claims (including, but not limited to, property damage or personal injury) arising from activities reviewed or overseen by DNR under this agreement.
